

For People Who Read and Recommend Books

NetGalley is a website where publishers can invite contacts to view their digital galleys, and readers can request galleys they want to review.

Media, Reviewers, and Bloggers

Any professional readers can use NetGalley: book reviewers, journalists, producers, librarians, professors, booksellers, bloggers, etc. Anyone who reads and recommends books can use NetGalley for free.

Publishers

NetGalley is an inexpensive and green way for publishers to share their digital galleys securely. Publishing companies can subscribe to NetGalley as an online service for the electronic delivery of galleys and press materials.

No Charge

What's great about NetGalley is that professional readers will be able to register and use this service to view new titles at no cost. Galleys can be read online, downloaded to a computer, and read on a Kindle, Nook, Kobo, Sony Reader, iPad/iPhone, Android or other device. See our Device Guide for full details: <http://www.netgalley.com/about/devices/>

A Variety of Information

Through NetGalley, publishers can provide readers with a Digital Press Kit, full of their marketing materials, book trailers, tour schedules, author bios, Q&As, cover art and photos, and more.

Share Reviews

Readers can tell publishers if they've decided (or declined) to review one of their books – as well as share the review itself with them – all within NetGalley.

Register for FREE!

Visit www.netgalley.com to register and request to view galleys immediately. Find titles by searching in the Public Catalog area.
